Evidence of the service of a civilian employee of the United States who served in the War with Mexico shall consist of the legible reproduction of any document generated by the federal government or a state government that provides evidence of said service.

The following items (originals or reproductions) are **NOT** acceptable as evidence of service of any military veteran or civilian employee.

- b. Obituaries
- c. Family history books

Substitutions

- In the absence of any of the acceptable items listed above, any other document (such as a diary or letters) not specifically excluded may be accepted as evidence of service at the discretion of any person authorized to review said evidence and approve applications for membership.
- Whenever a substituted document is submitted as evidence, it must be accompanied by a letter signed and dated by the applicant, stating that none of the acceptable items are available.

Copies of many of these documents may be obtained from the National Archives in Washington, D.C.

IMPORTANT INFORMATION REGARDING PROOF OF SERVICE

- Send photocopies only. Please do not send original documents.
- Copies of pages from printed rosters are acceptable as proof only if the roster was compiled from original muster rolls (such as Charles Spurlins' Texas Veterans or Steven Butler's Alabama Volunteers in the Mexican War).
- It is not necessary to submit any other proofs! Sending any other documentary evidence is entirely at the discretion of the applicant. All materials sent will be placed in the applicant's permanent membership file.
- Copies of pages from Pension indexes are not acceptable proof since not all pension applications were approved. Note: The letter "A" preceding a pension application number in a printed index indicates the application was NOT approved. This means the applicant could not provide proof of service.

When you have completed this application, please send it by **regular U.S. Mail** (no certified or registered application packets please!), along with proof of veteran ancestor's service, to:

**D.M.W.V. National Office
